

Bell shaped bronze mortar jar – c.1600-1700

<https://collection.sciencemuseumgroup.org.uk/objects/co129140>

I waited on the shelf, hands on hips, wondering what the plan would be.

I listened from the shelf, hands on hips, hearing the plan discussed

I watched from the shelf, hands on hips, observing the plan unfold.

I was pulled from the shelf, hands on hips, as the plan developed.

I was placed on the bench, hands on hips, becoming part of the plan..

I stood firm on the bench, hands on hips, as the plan reached fruition.
